

**PUBLIC SERVICE BOARD MEETING
AGENDA ITEM
REGULAR MEETING**

Wednesday, May 13, 2020

SUBJECT

Purchase of one Mini-Hydraulic Excavator with Trailer.

BACKGROUND

The mini-hydraulic excavator is a piece of machinery used for the clearing of irrigation canals, stormwater infrastructure and at water and wastewater plants.

STRATEGIC OBJECTIVES SUPPORTED

Improve Efficiency

EVALUATION PROCESS

Staff evaluated three quotes from different buy boards and recommend award for the purchase of one Mini-Hydraulic Excavator with Trailer, utilizing the Sourcewell Contract Number 032119-CAT, and Monroe Towmaster Number 121918-MNR to Wagner Equipment Company in the amount of \$66,021.28.

Sourcewell offers a 20% discount of \$8,443.40 and Wagner provided an additional discount of \$2,000, for the excavator, totaling \$53,594.28. Sourcewell Monroe Towmaster also offered a 16% discount of \$2,048, off of the trailer, totaling \$12,427.00.

FINANCIAL IMPLICATIONS

Sufficient funds are available in Account Number 2630, and the funding source is the Improvement Fund.

PROPOSED ACTION REQUESTED

Consider and approve the purchase of one Mini-Hydraulic Excavator with trailer from Wagner Equipment Company through Sourcewell Cooperative Buyboard Contract Number 032119-CAT and Monroe Towmaster Number 121918-MNR, in the amount of \$66,021.28.

SUPPORTING DOCUMENTATION PROVIDED

- Wagner Equipment Co. Quote
- Sourcewell Contract Number 032119-CAT
- Sourcewell Monroe Towmaster Contract Number 121918-MNR

FORM D

Formal Offering of Proposal
(To be completed only by the Proposer)

HEAVY CONSTRUCTION EQUIPMENT WITH RELATED ACCESSORIES, ATTACHMENTS, AND SUPPLIES

In compliance with the Request for Proposal (RFP) for HEAVY CONSTRUCTION EQUIPMENT WITH RELATED ACCESSORIES, ATTACHMENTS, AND SUPPLIES, the undersigned warrants that the Proposer has examined this RFP and, being familiar with all of the instructions, terms and conditions, general and technical specifications, sales and service expectations, and any special terms, agrees to furnish the defined products and related services in full compliance with all terms and conditions of this RFP, any applicable amendments of this RFP, and all Proposer's response documentation. The Proposer further understands that it accepts the full responsibility as the sole source of solutions proposed in this RFP response and that the Proposer accepts responsibility for any subcontractors used to fulfill this proposal.

Company Name: Caterpillar Inc. Date: 3/6/19

Company Address: 100 NE Adams Street

City: Peoria State: IL Zip: 61629

FORM E
CONTRACT ACCEPTANCE AND AWARD

(Top portion of this form will be completed by Sourcewell if the vendor is awarded a contract. The vendor should complete the vendor authorized signatures as part of the RFP response.)

Sourcewell Contract #: 032119-CAT

Proposer's full legal name: Caterpillar Inc.

Based on Sourcewell's evaluation of your proposal, you have been awarded a contract. As an awarded vendor, you agree to provide the products and services contained in your proposal and to meet all the terms and conditions set forth in this RFP, in any amendments to this RFP, and in any exceptions that are accepted by Sourcewell.

The effective date of the Contract will be May 13, 2019 and will expire on May 13, 2023 (no later than the later of four years from the expiration date of the currently awarded contract or four years from the date that the Sourcewell Chief Procurement Officer awards the Contract). This Contract may be extended for a fifth year at Sourcewell's discretion.

PROPOSER ASSURANCE OF COMPLIANCE

Proposal Affidavit Signature Page

PROPOSER'S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to Sourcewell members agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.
2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of Sourcewell, or any person, firm, or corporation under contract with Sourcewell, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.
3. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted in writing and have been included with the Proposer's RFP response.
4. The Proposer will, if awarded a Contract, provide to Sourcewell Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.
5. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.
6. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
7. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.
8. The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify Sourcewell for reasonable measures that Sourcewell takes to uphold such a data designation.

[The rest of this page has been left intentionally blank. Signature page below]

By signing below, Proposer is acknowledging that he or she has read, understands, and agrees to comply with the terms and conditions specified above.

Form P

PROPOSER QUESTIONNAIRE

Payment Terms, Warranty, Products and Services, Pricing and Delivery, and Industry-Specific Questions

Proposer Name: _____ Caterpillar Inc. _____

Questionnaire completed by: _____ Patty Redpath _____

Payment Terms and Financing Options

1) What are your payment terms (e.g., net 10, net 30)?

Our dealers accept payment from members and their terms may vary. The most common term is net 30.

2) Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?

Yes. We offer both leasing and financing options to governmental members of Sourcewell at rates lower than available to the general public.

3) Briefly describe your proposed order process. Please include enough detail to support your ability to report quarterly sales to Sourcewell. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell Members' purchase orders.

Our simple order process has been and will continue to be well appreciated by Sourcewell and Sourcewell members:

- 1) When a member decides to purchase a new Cat machine, they simply include their Sourcewell member number on the Purchase Order they issue to the Cat dealer.
- 2) The Cat dealer then accepts the PO, issues the invoice, accepts payment, and delivers the machine.
- 3) After the machine has been delivered, the dealer, as part of their normal process, includes the member number when filing their sales claim with Caterpillar.
- 4) At month end, Caterpillar aggregates these reports and sends the sales information quarterly to Sourcewell along with the administration fee.

Important Note: Should a member wish to include additional terms and conditions to this contract, or to otherwise request a Participating Addendum, that agreement/PA should be executed between the member and the Cat dealer directly.

4) Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell Members for using this process?

Because Cat dealers will be receiving payments directly from members, accepting P-card procurement will be at their discretion. Many dealers do accept this method without additional fees. Some have limitations on the amount that can be processed.

Warranty

5) Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may include in your response a copy of your warranties, but at a minimum please also answer the following questions.

- Do your warranties cover all products, parts, and labor?

Yes. Caterpillar has the most extensive warranty coverage in the industry. We cover all products, parts, and labor with fewer exclusions than our competitors. Please see **Attachment D** for details.

- Do your warranties impose usage restrictions or other limitations that adversely affect coverage?

We do not impose usage restrictions. We are pleased to say that our warranties cover defects in material and workmanship for the time specified in the policy when the equipment is used as per design intent.

- Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?

The Caterpillar warranties cover the cost of replacement parts and the labor to install them, they do not cover travel time and mileage. Dealer territories vary considerably from state to state as do their policies about travel time and mileage during the warranty period.

- Are there any geographic regions of the United States for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell Members in these regions be provided service for warranty repair?

We have no restrictions on warranty repairs. One of our key differentiating strengths is our ability to service equipment regardless of where it is located.

- Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?

Warranty service for on machines ordered from a Caterpillar facility is generally provided by Caterpillar and performed by Cat dealers. Some items, such as tires, are covered under their manufacturers' warranties.

- What are your proposed exchange and return programs and policies?

We warrant that upon delivery our products will be free from defects in material and workmanship and will operate as intended. If they are not, we will make any necessary corrections.

6) Describe any service contract options for the items included in your proposal.

We have a large variety of service contract options which can all be customized according to customer needs. Below are just two examples. More solutions are available, and we encourage members and dealers to explore all options.

- 1) Equipment Protection Plans (Extended Service Coverage/Cat Insurance)

After the initial warranty period ends, members may choose to purchase additional protection plans to reduce their exposure to unplanned costs. These policies are written based on months and hours of operation. There are four standard levels of coverage:

- a) Powertrain
- b) Powertrain + Hydraulics

- c) Powertrain + Hydraulics + Technology
- d) Premier

A description of all these options is included in **Attachment E**.

Important note: The purchase price for these Extended Service Coverage plans is lower for governmental agencies than it is for private buyers.

2) Customer Service Agreements (CSAs)

A member may choose to enter into an agreement with their Cat dealer to perform routine maintenance and/or repairs. These contracts are customizable based on member needs.

The selling Cat dealer can take responsibility for some or all the required service and maintenance needs to allow the agency to gain efficiency by focusing on the performance demands more than maintenance. CSAs are a useful tool to manage expenses. Most CSAs are bundled at the time of purchase; however, they may be added at any time.

Pricing, Delivery, Audits, and Administrative Fee

- 7) Provide a general narrative description of the equipment/products and related services you are offering in your proposal.

We are offering the new machine and work tool product lines as set forth in this proposal. This includes nearly 200 machine choices and more than 200 types of work tools.

In addition to new machines and work tools, we are happy to offer members access to rental machines, used machines, parts, service, extended service coverage plans, CSAs, products from Cat Safety Services, sourced goods, and open market items.

We understand that each member's needs will vary, and we are proud to supply a complete solution from the industry's largest product line.

- 8) Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. (Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract. See the body of the RFP and the Price and Product Change Request Form for more detail.)

Our pricing model is simple. We offer a deep discount off the current machine and work tool list prices to all Sourcewell members.

We have provided base machine pricing in **Attachment F**. However, for execution of the agreement we will ask our dealers and Sourcewell members to use the Caterpillar price list that is current at the time of the quote. Dealers, in consultation with the member, will configure the machine to the desired specifications and apply the agreed upon stated minimum discount to that configured List Price amount. Dealers and members should remember to factor in any expected price increases if a machine will be built to order.

Attachment G shows the discount offered for each new machine.

Additionally, we are pleased to offer a discount of 15% off all products and consulting services under the Cat Safety Services Umbrella; and 5% off our Technology Enabled Safety Solutions.

- 9) Please quantify the discount range presented in this response. For example, indicate that the pricing in your response represents is a 50% percent discount from the MSRP or your published list.

Our discount range varies between 3% and 30%. It's important to note that discount comparisons between different machines cannot be considered an apple-to-apples comparison. Caterpillar product managers have broad leeway in product pricing, and there are some significant variations on pricing strategy. For example, a discount of 10% on Product A, may be equivalent to a 20% discount on Product B. The discounts offered to Sourcewell members are better than what is widely available to non-member/private purchasers.

- 10) The pricing offered in this proposal is

- a. the same as the Proposer typically offers to an individual municipality, university, or school district.
- b. the same as the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
- c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.
- d. other than what the Proposer typically offers (please describe).

- 11) Describe any quantity or volume discounts or rebate programs that you offer.

Our dealers are empowered to consider purchase order volume, repeat purchases, member responsiveness, etc. They may offer members additional discounts and/or services at their discretion.

- 12) Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.

Sourced goods / Open Market Items are available to members from our Cat dealers. The prices for these goods or services will represent fair market value and will be determined between the member and the selling dealer. We encourage our dealers and members to use this option as it facilitates complimentary products and streamlines the procurement process.

Customers and dealers are responsible for including their Sourcewell member numbers on all documentation related to these purchases. Caterpillar Inc. is not a party to these sales and is exempted from including them in the quarterly reports. For audits, inclusion of a customer's Sourcewell member number on the PO and/or invoice shall be deemed sufficient.

- 13) Identify any total cost of acquisition costs that are **NOT** included in the pricing submitted with your response. This cost includes all additional charges that are not directly identified as freight or shipping charges. For example, list costs for items like installation, set up, mandatory training, or initial/pre-delivery inspection. Identify any parties that impose such costs and their relationship to the Proposer.

Machines are unique in their requirements for preparation prior to use. Some may require local final assembly due to their large size, others may have locally installed options (fire suppression, beacons, auto lube systems for example). When a dealer issues a quote for a machine, any additional costs will be itemized separately and are not subject to the Sourcewell discount.

- 14) If travel expense, delivery or shipping is an additional cost to the Sourcewell Member, describe in detail the complete travel expense, shipping and delivery program.

There is no additional cost to members who choose to pick up their machine from the Cat dealer. Dealers may charge fees for delivery to the member's location.

- 15) Specifically describe those travel expense, shipping and delivery programs for Alaska, Hawaii, Canada, or any offshore delivery.

Just as for members in the 48 contiguous states, there is no additional cost to members who choose to pick up their machine from their Cat dealer. Dealers may charge fees for delivery to the member's location.

- 16) Describe any unique distribution and/or delivery methods or options offered in your proposal.

Machines are large purchases and if there are unique member requirements our dealers will be happy to discuss on a case by case basis.

- 17) Please specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.

We plan to continue our very robust process to ensure reporting speed, accuracy, and contract compliance.

Caterpillar and our Cat dealers have very close and trusting relationships. Our dealers are long-established, and the current process is working well.

- To ensure pricing accuracy, we maintain our current Sourcewell customer discount sheet on our dealer-facing pricing pages. Dealers integrate these numbers automatically in their quoting software.
- To ensure new machine and work tool sales are recorded properly, we use our post-sale credit system. In a nutshell, this means that we corporately support the pricing offered in this contract at a level below what's available to other customers. To receive this additional monetary support after the machine is delivered, dealers must supply the member's name, address, and member number. There is no additional burden or cost to our dealers to use the Sourcewell contract and this is part of the reason for their high engagement and our high reporting accuracy.
- After month end, we gather the new machine and work tool sales data attributed to Sourcewell and aggregate it for our reporting.
- After quarter end, we will send the quarterly sales report and administration fee payment to Sourcewell for all items that are subject to the administrative fee.

- 18) Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See RFP Section 6.29 and following for details.)

We would be pleased to offer an administration fee of 0.50% of net dealer revenue on the sales of new machines and work tools. Caterpillar will pay this fee and will not ask members or dealers to bear any additional burden.

Industry-Specific Questions

- 19) Describe any industry-specific quality management system certifications obtained by your organization.

Throughout the history of Caterpillar, we've produced reliable, durable products our customers have been able to count on for many years...if not decades. This reliability and durability is foundational to our brand. We measure ourselves on both defects and durability. Defects are issues that prevent a machine or any part of it from performing as intended within the first year of service. Durability is defined as the actual achieved life of a machine or component. We pride ourselves on leading the industry.

Specifically, as it relates to this question, the below list shows our current quality certificates:

- 03 - Thin Film Coating Center, Mossville (IL), USA - CQMS / ISO9001:2015 Certificate (Exp date: 09-Mar-2019)
- 05 - Caterpillar Global Machine Development - Peoria Proving Ground, Peoria (IL), USA - ISO17025:2005 (Expiry date 31-Jan-2021)
- 06 - Caterpillar Inc., Cast Metals Organisation, Mapleton (IL), USA - ISO9001:2015 (Expiry date 24-Apr-2021)
- 08 - Caterpillar Inc., - SOS Services Laboratory (Main Multi-site), Peoria, IL, USA - ISO9001:2015 (Expiry date 29-Nov-2020)
- 12 - Caterpillar Inc. - Mat'l Handling & Underground Div. (Aurora), Montgomery IL, USA ISO9001:2015 Certificate. (Exp: 23-Feb-2020)
- 13 - Caterpillar Inc. - Construction and Mining Equipment (HQ), Decatur (IL), USA - ISO9001:2015 Certificate. (Exp date: 26-Oct-2021)
- 16 - Caterpillar Inc. - East Peoria (Multi-Site - TTT), Tractor Drive, East Peoria (IL), USA - ISO9001:2015 Certificate (Exp: 30-Nov-2019)
- 28 - Caterpillar Brasil Limited, Campo Largo, Brasil - ISO9001:2015 (Exp date: 23-Jul-2020)

20) Describe any environmental management system certifications obtained by your organization.

We described our "green initiatives" more completely in Form A, Question 29. To be specific regarding ISO standards, we are listing here the plants that are certified to ISO 14001:2004 Environmental Management System:

Plants certified with ISO 14001:2004 Environmental Management System

Anchor Coupling - Goldsboro, NC - ISO 14001:2004 - Sept 2018
 Anchor Coupling - Menominee - ISO 14001:2015 - Jan. 2021
 Gen Sets - Newberry - ISO 14001:2004 - Nov. 2017
 Mapleton - 14001:2004 self-certification - issued January 2013
 Reman Services - Corinth, MS - ISO 14001:2015 - Sept. 2021
 Reman Services - Franklin - ISO 14001:2004 - May 2017

21) Describe any preventive maintenance programs that your organization offers for the solutions you are proposing in your response.

Caterpillar understands the value to the customer of a well-defined preventive maintenance plan. Each machine we sell has very clear and detailed instructions for routine maintenance. We find that some customers prefer to do the maintenance themselves, others want our dealers to track and perform the service.

For customers who retain maintenance responsibilities, we have several tools available to facilitate that. As an example, My.Cat.Com makes it easy for customers to access critical information about their fleet.

STARTER CONNECTIVITY: If the customer purchases a machine with a factory-installed Product Link device, the customer will receive Cat Daily connectivity at no cost (for seven years on Building Construction Products machines; 12 years on Global Construction & Infrastructure machines). Cat Daily provides basic information once per day via My.Cat.Com or via a mobile app as described below.

My.Cat.Com users have access to:

- Equipment location
- Hours
- Diagnostic and operational events
- Fuel burn
- Dealer work orders
- Parts lists and Preventive Maintenance Checklists
- Parts ordering
- Safety service letters
- Rental documentation
- Warranty information

- Operation and maintenance manuals
- Preventive maintenance alerts and scheduling
- Cat Inspect outcomes
- S-O-S fluid analysis results

A subset of this information is also available in the Cat App: Fleet Management (IOS and Android).

In some situations, information available through My.Cat.Com provides an agency with sufficient data. But sometimes the equipment manager/public works director wants a more comprehensive view of their assets and/or the ability to manage an entire fleet. To meet that need, Caterpillar offers VisionLink—a powerful, flexible platform with enhanced capabilities, like customizable reports and notifications, that makes it easier to optimize productivity, manage assets and reduce costs.

ADVANCED CONNECTIVITY TRIAL: For any construction machine with a Product Link device, the customer will receive a six-month complimentary VisionLink Essentials trial. After the trial period ends, customers may elect to continue access at several different levels:

- **VisionLink Daily** – offers convenient, affordable, once-a-day telematics information. Ideal for customers who only need once-per-day reporting
- **VisionLink Basic** – provides basic asset management features including hour and location monitoring as well as geographic fencing and maintenance management. Recommended for machines that only report hours, where data updates and related features are needed more frequently than once per day.
- **VisionLink Essentials** – includes all the features of Basic plus health, utilization, and productivity features with frequent data updates. Ideal for customers needing up-to-date information about site operations, productivity, asset location, and operator performance, as well as timely notification of issues as they occur.

Another free app we offer is designed to help customers focus on safety and preventive maintenance. The “Cat Inspect” app offers multiple features geared to make regular machine inspections simple and useful.

- **Daily Walkaround** inspections are designed primarily for operators who are guided where to look on their particular machine and allows them to document and report any abnormalities.
- **Preventive Maintenance** inspections are more in-depth and are designed for customer or dealer technicians to inspect components for signs of wear and to ensure that all recommended preventive maintenance procedures are completed and recorded.
- **Technical Analysis** inspections are the most in-depth and are normally used once per year or when a machine is at the end of a customer’s ownership period.

This app includes the ability to take pictures, make notes and complete and share inspections electronically. Inspection reports are also integrated into both My.Cat.Com and VisionLink, providing visibility to overall fleet health.

For customers who intend to rely on dealers for maintenance, they can schedule the work themselves as needed, or we propose a variety of CSAs (Customer Support Agreements). These are completely customizable, but we offer starting points for several levels with corresponding price points which vary by product.

- Customer performed preventative maintenance – the Cat dealer will provide the necessary parts per the maintenance schedule; the customer will do the work.

- Dealer performed preventative maintenance – the Cat dealer will handle basic preventative maintenance for any machine or group of machines to help keep scheduled downtime to a minimum.
- Component maintenance and repair agreement – the Cat dealer will take care of maintaining and servicing systems such as engines, transmissions, etc. to extend service resources and equipment life.
- Total maintenance and repair agreement – the Cat dealer covers service and maintenance for any one piece of equipment or the entire fleet. This agreement can include guaranteed availability and uptime.

**EXCEPTIONS TO PROPOSAL, TERMS, CONDITIONS,
AND SOLUTIONS REQUEST**

Company Name: Caterpillar Inc.

Any exceptions to the terms, conditions, specifications, or proposal forms contained in this RFP must be noted in writing and included with the Proposer's response. The Proposer acknowledges that the exceptions listed may or may not be accepted by Sourcewell or included in the final contract. Sourcewell will make reasonable efforts to accommodate the listed exceptions and may clarify the exceptions in the appropriate section below.

Section/page	Term, Condition, or Specification	Exception	Sourcewell ACCEPTS
8.11 / page 29	Assignment of Contract	Notwithstanding the Terms of Section 8.11, Caterpillar shall be permitted to subcontract certain of its duties to Cat dealers for performance. *	Sourcewell accepts
Section Q / page 32	Provisions for non-federal entity procurements under federal awards or other awards; airport improvement program provisions	Section Q shall be deleted in its entirety. However, Caterpillar Dealers will review individual transactions that may implicate certain provisions within section Q on a case by case basis as required. *	Sourcewell accepts

*Please see page 2 of this form for comments regarding this exception request.

Proposer's Signature: *T. Redpath* Date: 3/13/19

**EXCEPTIONS TO PROPOSAL, TERMS, CONDITIONS,
AND SOLUTIONS REQUEST**

Caterpillar Comments on Exception Requests:

Exception to 8.11

Because we rely on our dealer network to work closely with customers to execute the terms of this agreement, we want to clarify that we may subcontract these obligations to them. This is how we are operating today to the satisfaction of all involved and we intend for this strong, close, and effective relationship to continue.

Exception to Section Q

In many situations we will be willing to comply to these terms. However, it is impossible to provide a blanket acceptance as each transaction is unique. For example, the Buy American provision referenced in 8.43 will be acceptable for some products and not for others depending on the source of production. By looking at each transaction individually we can ensure careful consideration. It is our desire to earn this business and when we are able to comply we will honor the terms specific to the transaction.
