COMMERCIAL CODE including the right to purchase the goods from another vendor in substitution for those due from the Contractor. The cost to cover shall be the cost of substitute goods determined by informal or formal procurement procedures as required by the Texas Local Government Code. EPWater may recover the difference between the cost of cover and the contract cost by deducting the same from amounts owed to Vendor for goods delivered prior to termination or any other lawful means.

21. FORCE MAJEURE

It is understood and agreed that the settlement of strikes and lockouts will be entirely within the discretion of the party having the difficulty, and that the above requirement that any Force Majeure will be remedied with all reasonable dispatch will not require the settlement of strikes and lockouts by acceding to the demands of the opposing party or parties when such settlement is unfavorable in the judgment of the party having the difficulty. If a party is unable to comply with the provisions of this contract by reason of Force Majeure for a period beyond thirty days after the event or cause relied upon, then upon written notice after the thirty (30) days, the affected party shall be excused from further performance under this contract.

Instructions - Form 1295

Effective January 1, 2016, a governmental entity may not enter into a contract requiring board approval, unless the business entity submits a Disclosure of Interested Parties (Form 1295) at the time the business entity submits the signed contract.

The following definitions apply:

1. "Interested Party" means a person:
 - a. Who has a controlling interest in a business entity with whom a governmental entity contracts: or
 - b. Who actively participates in facilitating the contract or negotiating the terms of the contract, including a broker, intermediary, adviser, or attorney for the business entity.
2. "Intermediary" means "a person who actively participates in the facilitation of the contract or negotiating the contract, including a broker, adviser, attorney, or representative of or agent for the business entity who:
 - a. Receives compensation from the business entity for the person's participation;
 - b. Communicates directly with the governmental entity or state agency on behalf of the business entity regarding the contract; and
 - c. Is not an employee of the business entity
3. "Business Entity" means any entity recognized by law through which business is conducted, including a sole proprietorship, partnership, or corporation. "Business entity" includes a for-profit or nonprofit entity. He term does not include a governmental entity or state agency.
4. "Contract" includes an amended, extended, or renewed contract.
5. "Controlling Interest" means:
 - a. An ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock, or otherwise that exceeds 10 percent;
 - b. Membership on the board of directors or other governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or
 - c. Service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers."

A business entity must file Form 1295 electronically with the Texas Ethics Commission using the Commission's online filing application, which can be found at:

https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

The business entity must **print a copy** of the completed form, which will include a certification of filing containing a unique certification number. The Form 1295 must be **signed by an authorized agent** of the business entity, and **the form must be notarized**. The **business entity must then submit the completed, signed, notarized Form 1295 to the contracting school district**.

Changes to Form 1295

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if:
 - the value of the contract cannot be determined at the time the contract is executed; and
 - any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code;* or
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*

The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?

In 2017, the legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on the TEC's website when I file the form?

No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. *See also Paxton v. City of Dall.*, No. 03-13-00546-CV, 2015 Tex. The Bid Security of all bidders will be retained by El Paso Water until award of the contract to the successful Bidder by the Public Service Board. After award of the contract, the Bid Security of the successful Bidder will be retained by El Paso Water until receipt of the Performance Bond and/or Payment Bond (if required). Upon receipt of the Performance Bond and/or Payment Bond, the Bid Security will be returned. The Bid Security of the next two low bidders will be retained until execution of the successful Bidder's contract and will then be returned. The Bid Security of all remaining Bidders will be returned after award of the Bid by the Board.
15. The successful Bidder will be required to obtain a Performance Bond and Payment bond (when required) for one hundred percent (100%) of the bid as security for the faithful performance and payment of all of the Bidder's obligations. All bonds shall be in the form prescribed by all applicable laws and regulations including, but not limited to, Chapter 2253 of the Texas Government Code and Section 7.91-1 of the Texas Insurance Code. **The bonds shall be executed by a Surety which is authorized and admitted to do business in the State of Texas and licensed by the State of Texas to issue surety bonds.** All bonds signed by an agent must be accompanied by a certified copy of the agent's authority to act. **IF THE SUCCESSFUL BIDDER FAILS TO FURNISH THESE BONDS WITHIN FIFTEEN (15) DAYS AFTER RECEIPT OF WRITTEN NOTIFICATION OF THE BID AWARD, THEIR BID SECURITY SHALL BE FORFEITED.** El Paso Water shall then have the right to make the award of a contract to the next lowest responsible, responsive bidder or to ask for new bids.
16. To the fullest extent permitted by laws and regulations, Bidders shall indemnify and hold harmless El Paso Water, The Public Service Board, its officers, agents and employees from and against all claims, damages, losses and expenses; direct, indirect or consequential (including, but not limited to fees and charges of engineers, architects, attorneys and other professionals and court costs) arising out of or resulting from the performance of its obligations under this contract and the contract documents.
17. The Bid Proposal MUST be signed by an authorized agent of the bidding company. 18. By signing the Bid Proposal, the Bidder affirms that he has not given or offered to give nor intends to give, at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, favor or services to an employee or official of El Paso Water in connection with the submitted bid.
19. These INSTRUCTIONS TO BIDDERS, the Bid Proposal and all other contract documents shall constitute a binding and enforceable contract with El Paso Water.
