

**EL PASO WATER  
PURCHASING DEPARTMENT  
1154 HAWKINS BLVD.  
EL PASO, TEXAS 79925**

**WET AND DRY SAND AND SILT REMOVAL  
39-23**

**ADDENDUM 1**

**August 24, 2023**

**Attention of all bidders is directed to the following addendum to this Bid Proposal:**

**A. Response(s) to Bidder's question(s):**

**Question 1:** On OPTION 1 or 2, Do you have a known "designated site" for the delivery of materials? If not, would you be able to give a maximum distance in miles from the transfer point? Estimated pricing is very dependent on travel distance/time.

Currently we do not have a "designated site". In the past we have had several designated sites. I believe the last designated site was the monofil on McCombs but that has since closed. We have also dumped the sand/silt out by the county line at US 54. For bidding purposes, the distance would be from Jonthan Rogers WTP to the furthest county line.

**Question 2:** Who might be contacted to set up a site visit?

Mike Parker (915) 594-575 [meparker@epwater.org](mailto:meparker@epwater.org)

**Further Clarification on Option 2:**

EPWater approves the disposal site selected by the bidder. Does the bidder have a site that the sand may be disposed at. Provide the location and we can approve it.

Bidder shall acknowledge receipt of this addendum and submit this acknowledgment with their bid submittal. Failure to acknowledge addendum(s), may result in rejection of bid.

  
Jesus Hernandez  
Procurement Analyst

  
Mirtha Solis  
Senior Purchasing Agent
