REQUEST PROCESS

To initiate a request, our GIS Administrator *must* receive

1. A completed and signed copy of this *GIS Data Request Form*; and
2. Written information (include maps) detailing the nature of the request.

The form and information can be delivered in person or sent by regular mail or via fax. Following approval, our response time for requests is a minimum of 2 weeks. More time may be needed depending on the complexity of the request and our current workload. Faster responses will be attempted, but cannot be guaranteed. Our response will be accompanied or preceded by an invoice for any applicable fees, which are due within 30 days. Fees for our services will be computed on the basis of labor, materials and/or facilities required. Customers will be informed of the cost estimates prior to starting work on a request. The El Paso Water Utilities may require a signed "Restricted Use Agreement" and a "Memorandum of Understanding" or a letter of intent prior to starting work on a request. The El Paso Water Utilities reserves the right to retain a copy of all computerized data or GIS information products developed for a customer, **with all requests being fulfilled either in the form of an ArcGIS™ Layer File or in Shape File format and LiDAR provided as ADF Files**, unless arrangements to the contrary are specified in writing.

GIS DATA DISCLAIMER

The El Paso Water Utilities makes no representations or guarantees as to the delivery, completeness or accuracy of the land features or any provided attribute data. Mapped features have not been certified by a licensed land surveyor and should not be used to establish or determine property boundary locations. Data is provided as is, without warranty of any kind, either expressed or implied, including without limitation any warranties that the data is fit for a particular purpose. The El Paso Water Utilities shall have no liability whatsoever relative to the use of provided data. Full responsibility relating to the use of the provided data rests with the user.

By signing below I acknowledge that I have read and agree to the Request Process and the GIS Data Disclaimer.
