5.2 W-9 INSTRUCTIONS

Form W-9 (Rev. 10-2018)

Page **2**

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the instructions for Part II for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships*, earlier.

What is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account (other than an account maintained by a foreign financial institution (FFI)), list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9. If you are providing Form W-9 to an FFI to document a joint account, each holder of the account that is a U.S. person must provide a Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note: ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/Businesses and clicking on Employer Identification Number (EIN) under Starting a Business. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or SS-4 mailed to you within 10 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

5.5 CHANGES TO FORM 1295

Changes to the [law](#) requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing Form 1295 needs to complete an “unsworn declaration.”

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contracts exempt from the Form 1295 filing requirement. A completed Form 1295 is not required for the following:

- a sponsored research contract of an institution of higher education;
- an interagency contract of a state agency or an institution of higher education;
- a contract related to health and human services if:
 - the value of the contract cannot be determined at the time the contract is executed; and
 - any qualified vendor is eligible for the contract;
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity;*
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code;* or
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code.*

The newly exempt contract types are marked with an asterisk.

Why do I need to include my date of birth and address when I sign Form 1295? Was this always the case?

In 2017, the legislature amended the [law](#) to require Form 1295 to include an “unsworn declaration,” which includes, among other things, the date of birth and address of the authorized representative signing the form. The change in the law applies to contracts entered into, renewed, or amended on or after January 1, 2018. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018.

Will my date of birth and address appear on the TEC’s website when I file the form?

No. The TEC filing application does not capture the date of birth or street address of the signatory, and it will not appear on forms that are filed using the TEC filing application.

Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also *Paxton v. City of Dall.*, No. 03-13-00546-CV, 2015 Tex. 1. Bidders **MUST** use the form and format included in this Solicitation and provide all required information. The Bid Proposal will be mailed to Purchasing & Contracts Administration, BID ENCLOSED, 1154 Hawkins Blvd., El Paso, Texas 79925 OR delivered to the Purchasing and Contracts Administration Department, El Paso Water Building, first floor, 1154 Hawkins Boulevard, El Paso, Texas 79925 prior to the date and time specified in this Solicitation. Bids received after the date and time shall be returned unopened to the Bidder.
2. The unit price of each item must be given in the column headed 'Unit Price' and must be for the particular unit of measurement specified in the column headed 'Unit.' In addition, the price per unit shall be multiplied by the total number of units and the total shown in the column for 'Total Cost.' If there is a discrepancy between the unit price and the total cost, the **unit price shall prevail**.
3. When a bid is requested for a particular item by brand name or other forms of identification, and the words '**or approved equal**' are used, Bidders may bid on items manufactured by other companies, provided the substituted article(s) is clearly described in terms of trade name, grade, capacity, etc. Sufficient information **MUST BE INCLUDED WITH THE PROPOSAL** to permit EPWater to evaluate the item(s) for compliance with solicitation specifications. **BIDDERS WHO FAIL TO INCLUDE THIS INFORMATION WITH THEIR PROPOSAL MAY BE DISQUALIFIED.**
4. Additional information not requested in the bid specifications, but felt to be pertinent by the Bidder, may be included as annotations or attachments to their Bid Proposal.
5. When a date is set for merchandise to be received or for work to be performed, the merchandise **MUST BE DELIVERED OR THE WORK PERFORMED** on or before the specified date; if not, the Purchase Order or Master Contract to the delinquent party may be canceled. If the Purchase Order or Master Contract is canceled, EPWater shall have the right to buy the merchandise or have the unfinished work completed by another bidder. Any excess in cost for the same item(s) or service over the price specified in the Solicitation that was accepted by the Public Service Board will be deducted from any money deposited with this bid or subsequently due. EPWater reserves the right to delete the company from the Bidders List for up to twelve months.
6. All bids **MUST BE F.O.B. DESTINATION**. All reductions or refunds on freight charges will be for the account of EPWater.
7. The Bid Submittal shall remain subject to acceptance for (90) Ninety days after the bid opening.
8. Bidders are invited to be present at the opening of bids.
9. Unless otherwise specified in the Solicitation, award of the Solicitation shall be made by individual item to the lowest responsible Bidder meeting specifications for the goods and/or services described in the Solicitation. A Bidder may qualify their proposal by indicating that it is based on 'All or None' for either all or part of the items.
10. The Public Service Board is not bound by the issuance of this Solicitation to award a contract. Any resulting order will be awarded to the lowest and best qualified responsible Bidder whose bid, conforming to the Bid Proposal, is most advantageous to EPWater. If deemed to be in the best interest of EPWater, the Public Service Board reserves the right to reject any or all bids, award a contract for the items, either in whole or part, and/or waive any irregularities. However, the contract may not be awarded to a nonresident bidder unless the nonresident's bid is lower than the lowest bid submitted by a responsible Texas resident bidder by the same amount that a Texas resident Bidder would be required to underbid a nonresident bidder to obtain a comparable contract in the state in which the nonresident's principal place of business is located. If the funding of the contract involves federal funds, then the contract will be awarded to the lowest and best qualified responsible Texas resident or nonresident bidder whose bid, conforming to the Solicitation, is most advantageous to EPWater.

DEFINITIONS:

BIDDER - means a person, partnership, or corporation making a proposal for the performance of the work covered by the contract documents and may be a '**Texas Resident Bidder**' or a '**Non-resident Bidder**.'

NON-RESIDENT BIDDER - means a bidder whose principal place of business is not in this state but excludes a contractor whose ultimate parent company or majority owner has its principal place of business in the state of Texas.

11. A Bidder may withdraw their Bid at any time prior to the date and time of bid opening, provided written authorization is presented to the Purchasing Agent by an officer of the firm that submitted the bid.
12. Any additional information about this bid and/or complaints, questions, or comments about the bid of another vendor must **be submitted to the Purchasing Agent within 24 hours** after the bids are opened for the information or complaint to be considered.
13. Reference Solicitation Number for insurance requirements.
14. Each bid MUST be accompanied by **Bid Security** made payable to EPWater in an amount of five (5) percent of the Bidder's total bid and in the form of a certified or cashier's check or a Bid Bond. The Bid bond (and performance and Payment bond when required) shall be in the form prescribed by applicable laws and regulations, including, but not limited to, Chapter 2253 of the Texas Government Code and Section 7.19-1 of the Texas Insurance Code. **The bond shall be executed by a Surety authorized and admitted to do business in the State of Texas and licensed by the State of Texas to issue surety bonds.** This Bid Security is provided as a guarantee that the Bidder, if awarded a contract, will execute the contract (Purchase Order or Master Contract) to provide the material, supplies, equipment, and/or services. **FAILURE OF THE BIDDER TO INCLUDE BID SECURITY WITH THE BID SUBMITTAL SHALL CONSTITUTE A NONRESPONSIVE BID AND RESULT IN DISQUALIFICATION OF THE BID SUBMITTAL.** THE BID SECURITY SHALL BE FORFEITED, AND EPWATER SHALL THEN HAVE THE RIGHT TO MAKE THE AWARD TO THE NEXT LOWEST RESPONSIBLE, RESPONSIVE BIDDER OR ASK FOR NEW BIDS. The Bid Security of all bidders will be retained by EPWater until the award of the contract to the successful Bidder by the Public Service Board. After the award of the contract, the Bid Security of the successful Bidder will be retained by EPWater until receipt of the **Payment and/or Performance Bond** (if required). Upon receipt of the Payment and/or Performance Bonds, the Bid Security will be returned. The Bid Security of the next two low bidders will be retained until the execution of the successful Bidder's contract and will then be returned. The bid Security of all remaining Bidders will be returned after the award of the Bid by the Board.
15. The successful Bidder will be required to obtain a **Payment and/or Performance Bonds** (when required) for one hundred percent (100%) of the bid as security for the faithful performance and payment of all of the Bidder's obligations. All bonds shall be in the form prescribed by all applicable laws and regulations, including but not limited to Chapter 2253 of the Texas Government Code and Section 7.91-1 of the Texas Insurance Code. **The bonds shall be executed by a Surety, which is authorized and admitted to do business in the State of Texas and licensed by the State of Texas to issue surety bonds.** All bonds signed by an agent must be accompanied by a certified copy of the agent's authority to act. IF THE SUCCESSFUL BIDDER FAILS TO FURNISH THESE BONDS WITHIN FIFTEEN (15) DAYS AFTER RECEIPT OF WRITTEN NOTIFICATION OF THE BID AWARD, THEIR **BID SECURITY** SHALL BE FORFEITED. EPWater shall then have the right to make the award of a contract to the next lowest responsible, responsive Bidder or to ask for new bids.
16. To the fullest extent permitted by laws and regulations, Bidders shall indemnify and hold harmless EPWater, The Public Service Board, its officers, agents, and employees from and against all claims, damages, losses, and expenses; direct, indirect, or consequential (including, but not limited to fees and charges of engineers, architects, attorneys, and other professionals and court costs) arising out of or resulting from the performance of its obligations under this contract and the contract documents.
17. The Bid Proposal MUST be signed by an authorized agent of the bidding company. Failure to sign the Bid Proposal or signing it with a false statement shall void the submitted bid or any resulting contract (Purchase Order or Master Contract), and the Bidder may, at the option of the Public Service Board, be removed from the bid list.
18. By signing the Bid Proposal, the Bidder affirms that he has not given or offered to give nor intends to give, at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, favor, or services to an employee or official of EPWater in connection with the submitted bid.
19. These INSTRUCTIONS TO BIDDERS, the Bid Proposal, and all other contract documents shall constitute a binding and enforceable contract with EPWater. Upon award of the bid by the Public Service Board, the Bidder hereby agrees that the signature of its duly authorized agent on the first page of the Bid Proposal shall bind the Bidder to all terms and obligations of the INSTRUCTIONS TO BIDDERS, Solicitation, and other contract documents.
20. This bid specifically prohibits communications in writing addressed in the final bullet of the cone of silence.
