

**PUBLIC SERVICE BOARD MEETING
AGENDA ITEM
REGULAR MEETING
Wednesday, August 12, 2026**

SUBJECT

Rejection of all proposals for Pumping Systems Furnish, Installation & Maintenance Phase 5 - Low-Bid 32-26

BACKGROUND

EPWater has a capital improvement project for rehabilitation activities for 12 existing El Paso Water wells, including furnishing and installation of 12 well pumps, motors, soft starter/VFD motor controllers, and associated equipment into rehabilitated wells. This project includes an allowance for expedited urgent well repairs. The allowance work under this project may also include furnishing and installation of pumps, motors, and appurtenances for existing booster stations.

PRIOR PSB ACTION

- None

UTILITY KPI ALIGNMENT

Total Water Supply

EVALUATION PROCESS

EPWater received two proposals on June 24, 2026. Staff subsequently identified an oversight with the website link provided to the public for the bid opening meeting. Staff recommends rejecting all bids and reissuing the solicitation with a verified public meeting link in order to meet the notice requirements of the bid statute.

FINANCIAL IMPLICATIONS

None

PROPOSED ACTION REQUESTED

Consider and reject all proposals received for Pumping Systems Furnish, Installation & Maintenance Phase 5 - Low-Bid 32-26 and authorize staff to rebid.

SUPPORTING DOCUMENTATION PROVIDED

- None
