PUBLIC SERVICE BOARD MEETING

AGENDA ITEM

REGULAR MEETING

Wednesday, September 9, 2026

SUBJECT

Increase the master contract with Schneider Electric Systems USA, Inc. under OMNIA Partners Cooperative Contract No. R220703.

BACKGROUND

A master contract was issued through OMNIA Partners Cooperative Contract No. R220703, Facility Technology Integration & Security System Services, to Schneider Electric Systems USA, Inc. pursuant to the delegated authority of the President/CEO or designee to issue master contracts with awarded vendors participating in approved cooperative purchasing programs for an estimated annual master contract amount of \$500,000 without further Public Service Board approval.

Additional capacity in the amount of \$3,500,000 is required to support facility technology integration, Supervisory Control and Data Acquisition (SCADA), controls, automation, software, hardware, commissioning, and related services available under the cooperative contract for modernization projects at the John T. Hickerson Water Reclamation Facility and the Canal Plant AVEVA System Platform project.

At the John T. Hickerson Water Reclamation Facility, the work includes replacing aging control devices, migrating the existing SCADA system to AVEVA System Platform, integrating plant and power-monitoring data with the enterprise AVEVA PI System, and providing related testing, commissioning, training, and related services.

At the Canal Plant, the work includes migrating the existing SCADA system to AVEVA System Platform, configuring AVEVA PI System integration and historian functions, and providing operator displays, reporting, testing, commissioning, training, and documentation.
