EVALUATION PROCESS

EPWater received one proposal for this solicitation on September 9, 2026. Staff subsequently identified that the weighted value assigned to the price criterion in the solicitation was outside of the required range. Staff recommends rejecting the proposal and re-issuing the solicitation with a corrected weighed values for the selection criteria in order to meet the requirements of the bid statue.

FINANCIAL IMPLICATIONS

None

PROPOSED ACTION REQUESTED

Consider and reject the proposal received for KBH Sixth Skid Expansion Project - CSP No. 16-26 and authorize staff to rebid.
