

High Efficiency Washing Machine Rebate Program

High Efficiency (HE) Energy Star washing machines use about 20% less energy and 30% less water than regular washers. This rebate program offers a one-time \$100 rebate for an HE Energy Star labeled washing machine.

Program Guidelines

- **Purchase must have been made after June 1, 2024.**
- Applicant must be a direct El Paso Water customer in good standing.
- Property must be a residential single-family home, duplex, or triplex.
- EPWater reserves the right to terminate or modify this rebate program at any time.

Fixture Requirements

- New washing machine must be labeled as High Efficiency Energy Star certified. To find a list of Energy Star certified washing machines, go to <https://www.energystar.gov/productfinder/product/certified-clothes-washers/results> (New products are marked with the Energy Star label)

Process

- An itemized receipt must be submitted with the application. Receipts must include the purchase date, vendor name, washing machine price, and model number.
- Customers must submit proof of installation (photo, or contractor receipt).
- EPWater reserves the right to inspect the newly installed washing machine up to 90 days after the application is submitted.
- This application and all supplemental evidence of project completion may be emailed to Conservation@epwater.org.
- Rebate will appear on water bill within 1 to 2 billing cycles.
