Leak Protection Program provides protection against costly service bills caused by unexpected leaks, offering up to \$1,000 coverage per occurrence. All eligible EPWater customers are automatically enrolled, and charges will appear on your monthly utility bill. Call (915) 273-3999 to decline protection or to request specific program guidelines.

*By check-marking the box, you agree to donate the amount towards Aguacares, a program that provides assistance for qualified low-income EPWater customers who are facing a financial hardship and are at risk of being disconnected from water service.
