

Smart Irrigation Controller Rebate Program

A WaterSense labeled irrigation controller helps cut down on overwatering in your landscaping by using the weather to determine when it's appropriate to water. This rebate program offers a one-time \$75 rebate for a WaterSense labeled smart irrigation controller.

Program Guidelines

- **Purchase must have been made after June 1, 2024.**
- Applicant must be a direct El Paso Water customer in good standing.
- Property must be a residential single-family home, duplex, or triplex.
- Controller must be programmed to follow the City of El Paso's Watering Ordinance.
- EPWater reserves the right to terminate or modify this rebate program at any time.

Fixture Requirements

- New controller **must** be WaterSense® Labeled. For a complete list of products, go to lookforwatersense.epa.gov/products
- Smart controller must be a weather-based controller or have a soil moisture sensor.

Process

- An itemized receipt must be submitted with the application. Receipts must include the purchase date, vendor name, controller price, and model.
- The rebate is for the cost of the controller only and will not cover tax or installation. If the cost of the controller is less than \$75, only the cost of the controller will be rebated.
- Customer must submit proof of installation (photo, or contractor receipt).
- EPWater reserves the right to inspect the newly installed controller up to 90 days after the application is submitted.
- This application and all supplemental evidence of project completion may be emailed to Conservation@epwater.org or faxed to (915) 621-2011.
- Rebate will appear on water bill within 1 to 2 billing cycles.
- Rebates exceeding \$600 per year, per customer, will require submission of a W-9 form.
